

Stand: 24.02.2015

Workshop "ROS/ RNS and redox systems" Program 24th – 26th February 2015

Venue:

Forsthaus Damerow
Damerow 1
17459 Koserow

24th February

Individual arrival

19:00 Welcome and Dinner

25th February

09:00 – 10:30 Basic Biochemistry of ROS (PD Dr. Lillig)

10:30 – 10:45 Coffee break

10:45 – 12:15 Thermodynamics and kinetics of redox reactions (Prof. Scholz)

12:15 – 13:15 Lunch break

13:15 – 14:45 Cell organelles & membranes— Part I (Prof. Lendeckel)

14:45 – 15:05 Coffee break

15:05 – 16:35 Good scientific practice (Prof. Scholz)

16:35 – 17:05 Organizational matters

19:00 Dinner

26th February

09:00 – 10:30 Proper literature search and the way from result to publication
(Prof. Bornscheuer)

10:30 – 10:45 Coffee break

10:45 – 11:00 Organizational matters (lab course planning by the students)
